<b>Day 2</b>			
08:30am	Recap of Day 1 and Introduction of Day 2 Agenda		Workshop Facilitator
08:45am	Break-out groups  <b>(Auditorium, rooms 13 &amp; 19)</b>	Three groups, each considering one of the following issues: (a) What are the connections between national diagnostic and monitoring needs and emerging international reporting requirements, (b) How do the needs for indicators vary in specific applications and what do they have in common, and, (c) How can we ensure coherence among ongoing initiatives to develop, require, or apply indicators?	
<b>10:30am</b>	<b>Coffee/Tea</b>		
11:00am	Group reports	Each group has 15 minutes to report on its discussions and 15 minutes for follow-up Q & A.	
<b>12:30pm</b>	<b>Lunch</b>		
02:00pm	Developing the Roadmap: A three-step process based on the "World Café" model of discussions...	Question One: What cooperative activities would advance indicator development & use?	Workshop facilitator
02:45pm	... in which participants form small groups around tables, consider an assigned question for 25 minutes, then report to the plenary ...	Question Two: Of the activities identified, which are the highest priorities? (Some may be easy "low-hanging fruit." Some may be complex but highly rewarding.)	Workshop facilitator
<b>03:30pm</b>	<b>Coffee/Tea</b>		
04:00pm	... and then randomly move to a new table to discuss the next, related question with a different set of people.	Question Three: What are the next steps to implement these cooperative and coordinating activities? What institutions could or should take the lead in fostering these activities?	Workshop facilitator
04:45pm	Roadmap Wrap-up and Summary		
05:00–05:30pm	Final tour de table and closing remarks
